Through "negotiation"-a concept that accounts for artistic practices outside the duality of resistance/accommodation-and "self-fashioning," Marci R. McMahon demonstrates how the very sites of domesticity are used to engage the many political and recurring debates about race, gender, and immigration affecting Mexicanas and Chicanas from the early twentieth century to today.

The new reality of equal pay for some Japanese couples demands accommodation, but the hold of old traditions is common enough to restrain widespread negotiation of gender equality even among elite graduates (Strober and Chan 1999). Equal incomes for women are necessary but not sufficient to bring about change in the domestic division of labor.

SERVICES: NEGOTIATIONS WTO negotiations on domestic regulation disciplines . WTO members are conducting negotiations to develop any necessary disciplines to ensure that measures relating to qualification requirements and procedures, technical standards, and licensing requirements and procedures do not constitute unnecessary barriers to trade in services.

WTO | Services - WTO negotiations on domestic regulation ...

One of the most important resolutions on domestic violence is the Declaration on the Elimination of Violence Against Women (DEVAW). [2] Adopted by the UN General Assembly in 1993, DEVAW establishes the most comprehensive set of standards in international law for the protection of women against sexual and gender-based violence.

UN Resolutions on Domestic Violence

Domestic negotiation includes all the exchanges that you have in the home environment, whether with your partner, children or other residents or neighbors. Little things writ large. In the grand scheme of things, domestic negotiations are seldom the most critical things for humanity. Yet they happen and include many significant decisions.
